Objective

To continuously learn, grow, and apply my Business Information Systems knowledge in business and technology fields by contributing to real-world challenges, collaborating with teams, and developing skills that support long-term professional success.

Summary

Third-year Business Information Systems student with strong internship experience in marketing, finance, fullstack and software testing. Skilled in simplifying complex concepts, presenting ideas clearly, and supporting teams in delivering real solutions. Eager to keep learning, building skills, and contributing to impactful, tech-driven projects.

Education

Sadat Academy for Management Science **Oct. 2023 – Jul. 2027**
